### Villa under construction- amazing sea views

Modern house, fully furnished, located in Calheta - Madeira Island. This house is inserted in a small neighborhood of other homes that are similar and of the same construction, in a quiet and relaxing.

These excellent villas offer 3 bedrooms, 2 bathrooms, a system with solar panels already fully assembled, view to the sea, "infinity" pool with shower, and a total area of about 500 m2. With large glass doors that allow access to the outside, and a magnificent natural lighting in the interior of the house.

This house is an excellent opportunity for a home with all the accommodations in a quiet area - or for monetization. Contact us while they are still available!
