Charming typical Madeiran house

Total area: 1253 m2
Covered Area: 85 m2
Uncovered Area: 1168 m2

This typical Madeiran house, with some reconstruction works, but with great potential for even more appreciation, in addition to the house, it has a large plot of land where it is possible to practice agriculture and where you can plant fruit trees, with these dimensions of land and with a house ready to move in, is an excellent investment opportunity for those who want a refuge in the countryside, In a good neighborhood, just a few minutes from supermarkets and cafes, and close to nature.

With a kitchen, living room and three bedrooms and a bathroom, this house is the ideal home for those who value serenity.
