Plot of land with project for 3 bedroom villa with pool in Ribeira Brava

Land located in Tábua, Ribeira Brava, with an approved project for the construction of a villa with several attractive features.

The villa will have three bedrooms, one of which is a suite, providing privacy and comfort to residents.

The kitchen will be open concept, integrated into the living room, which creates a large and welcoming space, facilitating interaction between the different areas of the house. This allows residents to always be connected, even while preparing meals or having visitors. The laundry room is a practical and functional element, contributing to the organization and optimization of household chores.

For entertainment moments, the project includes a games room, where you can have fun and enjoy recreational activities without having to leave home.
