Project for a 3 bedrooms villa with swimming pool in Ribeira Brava

Land located in Tábua, Ribeira Brava, with an approved project for the construction of a villa with several attractive features.

The villa will have three bedrooms, one of which is a suite, providing privacy and comfort to the residents.

The kitchen will be in an open concept, integrated with the living room, creating a spacious and cozy space that facilitates interaction between the different areas of the house. This allows residents to stay connected, even while preparing meals or receiving guests. The laundry room is a practical and functional element, contributing to the organization and optimization of household tasks.

For entertainment purposes, the project includes a game room where one can have fun and enjoy recreational activities without having to leave home. In addition, balconies are included in the design,
